

The Broadway/Symphony Table Bed

- The Broadway tabletop is built with high pressure laminates for durability. Available in melamine woodgrains (Rock Maple, Wild Cherry or Pearwood) and colors (Black or White).

- The Symphony Series is available in a maple wood veneer either Unfinished or with several Maple stains (Almond, Honey, Copper & Chestnut) or Cherry Stain (Dark or Grand).

- Hardware, trim, & footrest in brushed satin aluminum finish. Mirror over table.

- Any combination of cabinets can be used on either side of TableBed. Narrow cabinet door is reversible.

- Rolling File Trolley can be used under the TableBed desktop or in its "parking space" in the narrow cabinet.

- Side Cabinets can be Office cabinets with shelves or Wardrobe Cabinets with hanging spaces or open shelving for storage.

- Note that the California King has two footrests
