Optional Folding Table: 28-1/2"W x 44"L.
Can be added to any WallBed at any time.

- The Broadway Series is built in melamine over particle board with the Textured Series built in textured melamine. The Symphony Series is built in Maple veneer over particle board with the Premium Series using other wood veneers over particle board. See Finish Sheet or panel samples for Broadway and Symphony Series finishes.
- WallBed installation requires only a simple attachment to the wall at the top of the cabinet; no drilling into the floor.
- All WallBeds coordinate in height, depth, and finishes with the TableBeds and cabinets in the corresponding series.
- Mattress floats on a shallow bunkie board for a great night's sleep.
