

# Zoom - Room

*Furniture That Moves You*

## RETAIL PRICE LIST (08/15)

Custom

Press the wireless remote and Zoom- Room's premium foam mattress effortlessly floats into the room. Supported by a German-designed 10-year warranty and patented slatted frame, the mattress slides out from behind the free-standing cabinetry. Hidden in a 24" deep cabinet when closed, the mattress does not disturb any TV or shelving that has been designed into the cabinetry.

Other standard designs (Zoom Desk) now available along with either 5 halogen and LED lights. In addition to White, Alder and Espresso melamine finishes, now 9 textured finishes are available in the City Line Plus series.

The Zoom-Room mechanism is available alone, with standard cabinetry or with custom cabinetry. The mechanism has a child safety lock built into the remote and stops moving as soon as the remote button is released. A built in battery backup permits operation in times of local power outages.

Zoom-Desk

The Standard
